In accordance with Ontario Provincial Government and Chief Medical Health Officer guidance, starting September 22, 2021, The Briars Resort & Spa will require all guests 12 years of age and older to provide proof of being fully vaccinated in order to utilize the resort. Upon entering the resort, guests will need to display either a paper record or receipt, or an official digital PDF version of their vaccination receipt showing full COVID-19 vaccination status along with a government issued ID. These documents must be presented upon entering the resort. Arrangements cannot be made to electronically share these documents ahead of your stay. All personal information is kept strictly confidential in accordance with provincial guidelines.

Children under the age of 12 currently not eligible to receive a COVID-19 vaccine are exempt and do not require any validations to enter the resort. **All inquiries and questions about this policy should be emailed to bob@briars.ca.** Emails will be answered within 48 hours.
